BIRTHDAY PACK

Come celebrate **MY 78TH BIRTHDAY** on **October 23 and 24** at the Holly Hill Mall and Business Center in Burlington, NC. I'd love to see you on one of those days, but even more, I'd love to know that together we helped hundreds and hundreds of slum children do school better.

Our goal for my birthday event is to fund 500 of the backpacks (\$10,000 total). Please join me in person and/or make a gift in increments of \$20. (If you give online, choose the "Edu-Pack Ministry" option). The recipients will be those in the Kibera slums of Nairobi, Kenya, and each child will also receive a Bible.
